Introduction

This booklet contains information about your Group Benefits. Please keep it in a safe place. It is intended to summarize the principal features of your plan. All rights to benefits are governed by the Group Contract.

The Group Policy contains a provision removing or restricting the right of the Member to designate persons to whom or for whose benefit insurance money is to be payable.

The Group Contract does not permit a Member or Dependent to designate a personal representative or a beneficiary to receive benefits, except for Life benefits.

Defined terms are capitalized (e.g. Dependent). Pacific Blue Cross (PBC) and Blue Cross Life Insurance Company of Canada (Blue Cross Life) are referred to as “we”, “us”, or “our” in this booklet. We will refer to you, the employee/Member, as “you” or “your” in this booklet.

Pacific Blue Cross, the registered trade-name of PBC Health Benefits Society, is an independent licensee of the Canadian Association of Blue Cross Plans.

Coverage is provided through:

Pacific Blue Cross
Extended Health Care (EHC)

- 2) We suggest that you submit claims within **90 days** of the completed date of services (earlier if possible). Failure to submit a claim within the 90 day limit will not invalidate the claim if it is submitted as soon as reasonably possible. However, in no event will we pay any claim or adjustment received later than **12 months** from the date the service is performed.

Payment of Benefit

If you die while insured, we will pay the amount of your group term life insurance to your beneficiary.

When you designate more than one person as beneficiary, we will assume the Benefit amount is to be divided equally, unless you specify otherwise. If your designated beneficiary is under age 18, you should appoint a trustee for this beneficiary and have a trust agreement drawn up and signed. This trustee will receive and give discharge for any Benefit amount which becomes payable while your beneficiary is a minor. If no beneficiary survives you, the Benefit amount will be paid to your estate.

Living Benefit

Terminal condition

means an injury or sickness from which there is no reasonable prospect of recovery, as determined by us, and which is expected to result in your death within 12 months.

If you have a Terminal condition, we will pay you the living Benefit amount shown in the Schedule of Benefits. You or your legal representative must submit a written request for this benefit and include written consent from your beneficiary (release form) and written proof of your medical condition from your attending Physician.

This Benefit amount is payable once. The amount of your group term life insurance benefit or the amount of insurance you can convert outlined under the conversion option is reduced by the amount you receive under this benefit.

Waiver of Premium

Should you become totally disabled prior to your 65th birthday and remain so for six months, the premium for your group term life insurance will be waived.

Conversion Option

You will be eligible to convert your group life insurance coverage to a personal life insurance policy issued by Blue Cross Life Insurance Company of Canada without having to answer any health questions. To qualify, you must be under age 65, and we must receive your application within 31 days of the date your employment terminates. This option does not apply to schedule reductions, or termination of coverage that becomes effective at a specified age.

The maximum coverage you can purchase will be the lesser of:

- 1) \$200,000 or
- 2) the amount of group life insurance you had with us, or
- 3) the difference between the amount of group life insurance you had with us and the amount that is available through your new employer's group plan – provided you become insured within 31 days following the termination of your coverage under this policy.

You may purchase less than the maximum amount of life insurance you are entitled to convert. However, you cannot apply for an amount which is lower than that for which Blue Cross Life customarily issues a policy. You will have a choice of two policies:

- 1) a term life insurance policy for one year, or
- 2) a term life insurance policy to age 65.

Your premium will be based on the prevailing standard rate charged by Blue Cross Life on the date your personal policy is issued.

Claims

In the event of your death, we must receive notice of your death within **30 days**, and a completed claim form along with any proof required, as requested by us, within **90 days**. However, no payment will be made on any claim submitted later than **1 year** from the date of death.

Payment

Because you must enrol your Spouse for the dependent life insurance benefit, when your Spouse dies, we will pay the Benefit amount to you.

Waiver of Premium

If your group term life insurance premium is waived because you are totally disabled, your premium for the dependent life insurance benefit will also be waived.

Exclusions

A Spouse not residing in Canada or the USA or a Spouse who is a member of the armed forces in any country is not eligible for the dependent life insurance benefit.

Claims

We must receive notice of the death within **30 days** and a completed claim form along with any proof required as requested by us, within **90 days**. However, no payment will be made on any claim submitted later than **1 year** from the date of death.
